

IAP Fellowship in Pediatric Hematology and Oncology

Admission for academic year 2020-2020

Applications are invited from eligible candidates for admissions to the fellowship course (2 years duration) in Pediatric Hematology Oncology under the aegis of Indian Academy of Pediatrics for the Academic year 2020-2022.

Desirous candidates are advised to contact the respective centers (listed below) for the application process.

Eligibility of the candidates: MD/DNB Pediatrics

Note to training centers: Admission process is to be completed within this month, so that the session may start from the 1st August, 2020. However, due to the current pandemic and many exit exams being delayed, centers may take the candidates post August and inform the PHO office.
