

We are delighted to announce the expansion of Little Stars & She: Hospital for Women & Children, Hyderabad, Telangana, previously recognized as Little Stars Children's Hospital.

Renowned for our Paediatric Super Specialty medical care particularly in areas dedicated to paediatrics. Dr Satish Ghanta, Dr Ramana Dandamudi, Dr Mehul Shah with their team of specialists offer quaternary paediatric services. Sophisticated children's ICU, facilities for transplants, result - oriented treatment for cancer and blood diseases and handling of emergencies are all happening here at this Hospital.

We're on the lookout for experienced paediatricians who are as passionate as we are about delivering top-tier, personalised care. Join our esteemed team of professionals and be part of our mission to deliver hope for all life.

Job Position: Paediatric Hematologist-Oncologist

Key Responsibilities:

- Diagnose and manage benign Haematology disorders such as Thalassemia, ITP, Hemophilia, and other common and rare anemias.
- Evaluate, diagnose and manage all malignancies of childhood and adolescence (solid and hematologic).
- Play an active role in the Pediatric Bone Marrow Transplantation (BMT) programme.
- Contribute to clinical research and advancements in the field of paediatric haematology-oncology.
- Collaborate with a multidisciplinary team to ensure comprehensive care for the patients.

Qualifications:

- An MBBS Degree and MD/DNB in Pediatrics from a recognized institution.
- Fellowship or advanced training in Pediatric Hematology and Oncology.
- A minimum of 8 years of experience in Pediatrics with at least 5 years in the subspeciality of Pediatric Hematology and Oncology.
- Prior involvement in a Paediatric BMT programme is highly desirable.
- A track record of research engagement in the field of paediatric haematology-oncology will be an added advantage.

If you're driven by the well-being of children and women and are ready to make a significant impact in medical care, we can't wait to hear from you. Apply today and grow with us!
